We would like to thank you for taking part in our new process of submitting athletic participation paper work online. This new automated process will allow us to be more efficient in handling the forms as well as saving valuable resources. All forms can be submitted in this manner except for the Pre-Participation Physical and Medical History.

- To access the online forms, hold your cursor over the "Electronic Participation Forms" tab. You will get a drop down of the two forms to complete. On the UIL Forms, you will need to access all forms and check the box verifying you have read and understand the material presented. A signature is required by the parent/guardian and student-athlete at the same time.
- You must have your students ID number available as it is required to complete the forms.
- Do not use athlete nicknames on forms. Use your student's name as it shows on their report card
- To sign the document click inside the signature box and hold your mouse down, this will allow you to create an "Electronic Signature". If you make a mistake and need to start over, click on the refresh icon next to the signature box.
- Once you have filled out all of the information on each page, you will have the opportunity to print the document. Do not send in printed documents to the school.
- You will receive a confirmation email after each form has been submitted and once the document has been reviewed by AISD staff.

***** Note for physicals: All physicals must be completed on the current year's paper UIL Pre-Participation Medical History and Physical Form**
